

Left to Right: Graeme Keith, (younger brother of Herbert Keith) on his knee is Noel Keith (1884 –1917) and Gerald Keith (1879 – 1952). Jessie Keith (daughter of Herbert Hancock and Sarah Ann Matthews and grand daughter of James Matthews and Mary Ann Bailey). On her knee is Leslie Keith (1882 – 1907) and husband Herbert Keith (1828 – 1896).

There were four other Keith children: Douglas who was born between Gerald and Leslie but I believe died in infancy and then Florence, Allan and Winifred born after this photograph was taken which is circa 1886. All these notes were taken from the back of the photograph and are in Andrew Man's handwriting.

I believe Jessie was James Matthews' first grandchild.
