*Guild of Workers.*

Miss Lathom Browne reports a slight increase of membership. We hope that more will join in time to help in supplying the stall at the Sale at Kensington in November (see cover, p. vii.).

The rules are very simple. Members are to contribute two articles yearly for sale, or 2/6 in cash, and to read the Quarterly Paper. It is, of course, hoped that they will also endeavour to secure fresh members for the Guild, and contributors to the funds and Quarterly Paper, and will help the work with their prayers.

*Rochester.*

The Annual Sale of Work at S. Mary's, Battersea, will be held at the Vicarage Room on Friday and Saturday, June 28th and 29th. All friends within reach are invited to attend.

The Sale will be opened on Friday at 3 p.m. by Miss G. F. Martin, and on Saturday by Mrs Garnet Man. The Rev. Dr. Marks will lecture on "Life in Burma" on both days, and the Rev. Dr. Aldridge will lecture on "Life in China" on Friday afternoon and evening.

*Winchester Diocesan Union.*

Owing to illness, the date of the Annual Meeting and Sale in the Diocese of Winchester, in aid of the Winchester House in Rangoon, has not yet been fixed. It is hoped it will take place at Godalming during the summer, and notice will be sent to all our friends as soon as the day is decided on. In the meantime we appeal urgently to our supporters, specially to the members of the L. W. A., to help us to replenish our much reduced stock, so that our Stalls may be well filled with pretty and saleable articles.

We hope all our friends within reach of Godalming will book the day of Sale when announced, and come to it and bring their friends.

*Winchester House, Rangoon.*

Mr. Bamber has been seriously ill, but is now convalescent. He has been staying with the Rev. B. Mahon, at Kyauktan, a cool place about 18 miles from Rangoon to recruit his health. By this time it is hoped they have returned to Rangoon, and on their return Mr. Mahon hoped to be able to take definite steps about the sale of the house.
